SHINING THROUGH THE YEARS

Join us as we celebrate **National Assisted Living Week** and the incredible residents and dedicated caregivers who make our community shine! This year's theme, "Shining Through the Years," honors the stories, wisdom, and experiences of our residents while recognizing the compassionate staff who support them every day.

Come celebrate with us and enjoy all the special activities, laughter, connection, and fun we have planned throughout NALW! We can't wait to shine together!
